

Please do something
to stop Sinclair
Broadcasting from
requiring its
stations to
broadcast an
anti-Kerry
documentary shortly
before the election.
This is a clear
threat to our
democracy.

Sinclair's decision
in effect represses
the speech of its
member stations, and
undercuts the rights
of other members of
the public who do
not have the
airwaves available
to them free of
charge -- as
Sinclair does -- to
express their
opinions. A key
part of the FCC's
mandate is to
prevent this type of
abuse.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. Thank you.
